

Welcome All to Sharks Swim Club

SHARKS is a club for all young persons who want to learn the art of swimming. We teach all our swimmers the five strokes in swimming, Freestyle, Backstroke, Breaststroke, Butterfly and Dolphins in a competitive environment, the choice is theirs should they want to compete. Our philosophy is simple, KAIZEN.....continuous improvement.

Our club is a Coach driven, Parent supported club that believes our kids should have fun and enjoy their learning experience which will last them a lifetime.

One of our major challenges over the years has been communicating the expectations of being a SHARKS member and ensuring all of our members have clearly read and understood our payment/fee policy.

Our financial obligations are to pay the Facility (Aquatic Centre) for rental of the lanes, and our dedicated Coaches in a timely manner each month. In order for this to happen, we kindly ask that you read through the payment fee structure and payment policy.

Fee Structure:

When calculating what your swimmer(s) fees will be, follow this:

1. Determine in what group your child will be swimming.
2. Determine how many times a week they will be swimming.
3. See Chart below:

Twice a week	\$200.00 per month (to be paid by the first of the month)

- Please make out payment of checks **to “Sharks Swim Club”**.

- There will be ***no pro rating*** of fees, as fees are to be paid in advance due to the Aquatic Centre asking for booking of lanes one month prior.

- Payment will ***not*** be accepted from members who determine their own ***pro rated amount***. Thus, any request of refunds must be submitted in writing to the Sharks Executive for consideration.

- There is no other fee to pay to the pool. The cost of admission is carried in the training fees.

*(If your swimmer/(s) wants to swim on their own outside of scheduled practice times, you will have to pay the day pass fee to the Aquatic Centre)

We hope that you read and understand the following payment fee and policy guidelines for SHARKS Swim Club and will adhere to this in order for my swimmer/(s) to remain in good standing as an active member of SHARKS Swim Club.
